Project Christmas Comfort

Project Christmas Comfort 2021

You all rocked! With help from all of you and our home church, Tomoka Christian Church, we were able to collect 1095 NEW Christmas themed blankets!!

We were able to distribute them to 5 counties (Volusia, Flagler, Marion, Putnam and St. Johns)

They went to individuals as well as organizations and shelters! Oh we were also able to send some up to Kentucky for the victims of the floods and tornadoes. WAY TO GO!!!

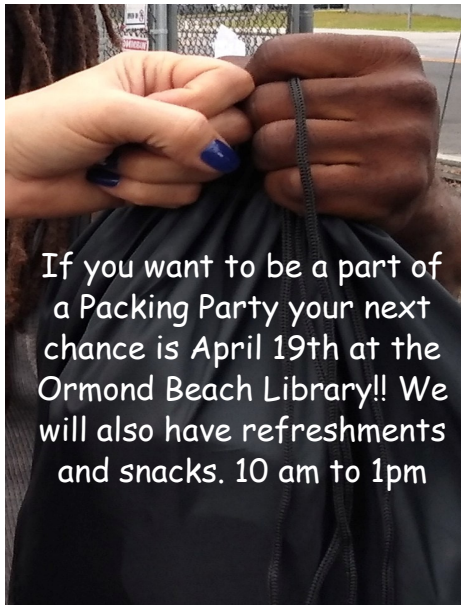

WE also had our first Hiking for the Homeless event!

Hiking for the Homeless is our event to educate the public on some issues the homeless community deal with on a day to day basis!

Our first Summer Bag Packing Party was held at the First Presbyterian Church of DeLand!! Thank you to all of the crew from First Presb. (Pictured with Michelle)

We will be having one April 19th at the Ormond Beach Library from 10 am to 1pm check out the details on our Facebook page!!!!

If you want to be a part of a Packing Party your next chance is April 19th at the Ormond Beach Library!! We will also have refreshments and snacks. 10 am to 1pm

March 15th was our Blanketing Benches event that we do to remember Christine's Birthday.

She would have been 70 so with the help of volunteers we put out 70 blankets on benches
